**Educational Assessment:**  Scheduled individually \$300  
 If attending Skill Builders, an optional educational assessment is recommended to ensure appropriate individual programming for your child and to provide you with a detailed look at his/her academic progress. The results of this assessment are used to design an individualized program for your child's summer learning. Parents receive a graph of their child's results, showing a comparison to where he/she should be for the current grade level, and a description of each subtest used. Turnbull Summer Learning will call you to book the assessment.

\* **Skill Builders** fee for the 4-day week of Aug 7 to 10 is \$160. The School is closed on Monday, August 6.

\*\* **High School Prep** course also includes 2 classes on Sundays, 11:30 AM to 1:00 PM, on September 16 and 30

I will provide a copy of my child's most recent report card and assessment report (if applicable) by fax, mail or email as soon as possible to [info@turnbull.ca](mailto:info@turnbull.ca).

I understand that this step is very important to my child receiving an effective program right from the first day.
