

TURNBULL SCHOOL

2021/2022 Kindergarten Admissions

Kindergarten children at Turnbull School enjoy spacious, state-of-the-art classrooms and a full day program. The Kindergarten spaces offer a variety of learning and activity centres in bright and engaging settings. Outdoors, the five-acre fenced property includes two play structures, one especially designed for our youngest students.

The Kindergarten program is taught by dedicated and nurturing teachers. It is a well-rounded and enriching program including daily physical education and French, as well as creative arts, science, numeracy and literacy skills. Excellence and caring begin with the children's first experiences at Turnbull School and give them a solid foundation for the years to come.
